

MOTION BY SUPERVISOR YVONNE B. BURKE

March 29, 2005

The South Central Los Angeles Enterprise Community Oversight Committee has contacted the County Department of Parks and Recreation expressing an interest in donating two Kawasaki off-road-utility vehicles to be used for maintenance functions that will enhance recreational opportunities at Bethune and Ted Watkins Parks, which are located in unincorporated and inner-city communities of the County. The total value of this donation is approximately \$12,000.

The Los Angeles County Department of Parks and Recreation and the community support the donation which will promote and expand existing recreational youth sports baseball and soccer programs through the enhancement of baseball field preparation and general maintenance activities at both parks.

The Department of Parks and Recreation will be responsible for the care, maintenance, and upkeep of the two pieces of equipment following the donation.

As donations in excess of \$10,000 require approval by the Board,

I, THEREFORE, MOVE that this Board accept the donation of equipment valued at approximately \$12,000;

I, FURTHER MOVE that this Board instruct the Executive Officer to prepare a letter of appreciation to the South Central Los Angeles Enterprise Community Oversight Committee for its donation and continued support of recreational youth programming throughout the County of Los Angeles.
